Circular (14) of 2020 **Categories Eligible for “Remote Work”**

All Government Authorities and Departments

Greetings!

Further to Circular (13) regarding the additional preventive measures issued on 11/03/2020, and in line with the applicable procedures in the federal government, please be informed that additional categories eligible for working remotely, based on a personal undertaking and at the discretion of the government entity, have been added as follows:

- Pregnant employees (under a medical report proving the same).
- People of determination.
- Employees suffering from chronic diseases, immunodeficiency or respiratory problems (under a medical report proving the same)
- Employees above 60 years of age.
- Mothers taking care of their children, 9th grade or below, who are subject to remote learning system, provided that their work tasks do not require physical attendance on the premises (under a document proving the same as decided by the entity)
- Employees returning from abroad through any of the country’s entry points; by air, road or sea, who require home quarantine upon their return to the UAE or those who returned within the past two weeks and until the end of two weeks’ period.

This Circular is effective as of the date mentioned above.

Thanks for your cooperation!

Sincerely,

Dr. Mohammed Abdullatif Khalifa
General Manager
